1. The Ustka Airfield is located about two kilometers from the Duninowo (Duennow) - Ustka (Stolpmuende) highway and the same distance from Ustka. It is situated in the woods near the Baltic Sea coast. The field is a former German installation which is now used by the Polish Air Force. Only the roofs of a couple of buildings can be seen through the woods from the Duninowo - Ustka highway.
2. On various occasions, [ ] large numbers of military trucks and automobiles of various types turning from the highway into the woods in the direction of the airfield.
3. In summer 1953, [ ] aircraft flying over the airfield and vicinity. These were either single aircraft or formations of two or three.
4. [ ] firing from the direction of the airfield; the firing continued for long periods of time. [ ] sound [ ] heard to be that of artillery rather than of aerial bombs.
